SPECTACLE ISLAND PROGRAMS

All programs are free and open to the public. Park Phone Number 617-223-8666. All children must be accompanied by an adult.

Island Tour	Spectacle Island once housed a quarantine hospital, a horse rendering facility, and a grease reclamation plant. For more than 50 years the island was used a dumping ground for the city of Boston's trash. Now, it is a shining emerald isle. So what happened? Come learn more about the islands transformation.
Seaglass Sandscapes	Be a part of Spectacle's legacy. Join us in our recyclable art program, where we use materials found on the Island's beach to create pictures, portraits, mosaics, and murals. Your creation could end up on display in our Visitor Center!
Island Yoga	Spectacle Island was revitalized and transformed and you can too! Relax your mind, body, and spirit by joining a certified yoga instructor for a restorative program on the island.
Kite Flying	Spectacle Island is a windy place, especially the north drumlin is the highest point in the harbor. It is the perfect place to fly a kite. Come out for the day and decorate your own kite or bring your own and joining the fun.
Toddler Tuesday	Join our staff for beach exploration, story time, and other programs exposing children and families to nature's colors, shapes and sounds.
Jazz on Spectacle	With some of the best views in the harbor, Spectacle Island is an ideal place to sit back and listen to the sound of jazz music fill the salty air. Grab an Adirondack chair, your favorite reading material, and head out to the island for a unique and enjoyable Sunday afternoon.
Beach and Below with the NE Aquarium	Have you ever wondered what is lurking in the tide pools of Boston Harbor? Join the New England Aquarium for a hands on demonstration of what is making a home in our waters.
Island Detectives	Join us for a special kid-friendly tour and uncover clues that help tell the story of Spectacle Island's past.
Sea Kayaking: An Urban Transformation	Join our trained staff to learn more about the transformation of Boston Harbor and the reclamation of an island landscape. What better way to see this first hand than to see the island from a kayak. We will head off for a short paddle just in front of Spectacle's sandy beach. All participants must sign a waiver, children must be at least 12 years old (and accompanied by an adult), and be able to swim. Instructors reserve the right to cancel the program due to weather and water conditions. First come, first served.
Island Detectives	An interactive tour of Spectacle Island just for kids!
Field Games	Play classic field day games and backyard favorites! Try your hand at backyard games like bocce ball, corn hole and frisbee, or bring a team for relays, potato sack races and more!
